

## Health Sciences IRB

7/30/2015

**Submission ID number:** [2015-0780](#)

**Title:** Dynamic, real-time prediction of alcohol use lapse using mHealth technologies

**Principal Investigator:** JOHN J CURTIN

**Point-of-contact:** JOHN J CURTIN

**IRB Staff Reviewer:** JACQUELINE LEE

The convened HS IRB conducted a full review of the above-referenced initial application. The study was approved for the period of 12 months with the expiration date of 7/27/2016 .

To access the materials approved by the IRB, including any stamped consent forms, recruitment materials and the approved protocol, if applicable, please log in to your ARROW account and view the documents tab in the submission's workspace.

If you requested a HIPAA waiver of authorization, altered authorization and/or partial authorization, please log in to your ARROW account and view the history tab in the submission's workspace for approval details.

Prior to starting research activities, please review the Investigator Responsibilities guidance (<http://go.wisc.edu/m0lovn>) which includes a description of IRB requirements for submitting continuing review progress reports, changes of protocol and reportable events.

Please contact the appropriate IRB office with general questions: Health Sciences IRBs at 608-263-2362 or Education and Social/Behavioral Science IRB at 608-263-2320. For questions related to this submission, contact the assigned staff reviewer.

## Health Sciences IRB

7/15/2016

**Submission ID number:** [2015-0780-CR001](#)

**Title:** Dynamic, real-time prediction of alcohol use lapse using mHealth technologies

**Principal Investigator:** JOHN J CURTIN

**Point-of-contact:** SUSAN SCHNECK

**IRB Staff Reviewer:** EMILY JENNER

A designated HS IRB member conducted an expedited review of the above-referenced continuing review progress report form. The study was approved by the IRB member for the period of 12 months with the expiration date of 7/14/2017. The study qualified for expedited review pursuant to 45 CFR 46.110 and, if applicable, 21 CFR 56.110 and 38 CFR 16.110:

**Category 8:** The study was previously approved by the convened IRB and no subjects have been enrolled and no additional risks have been identified

To access the materials approved by the IRB, including any stamped consent forms and recruitment materials, please log in to your ARROW account and view the documents tab in the submission's workspace.

Please review the Investigator Responsibilities guidance (<http://go.wisc.edu/m0lovn>), which includes a description of IRB requirements for submitting continuing review progress reports, changes of protocol and reportable events.

Please contact the appropriate IRB office with general questions: Health Sciences IRBs at 608-263-2362 or Education and Social/Behavioral Science IRB at 608-263-2320. For questions related to this submission, contact the assigned staff reviewer.

## Health Sciences IRB

5/2/2017

**Submission ID number:** [2015-0780-CR002](#)

**Title:** Dynamic, real-time prediction of alcohol use lapse using mHealth technologies

**Principal Investigator:** JOHN J CURTIN

**Point-of-contact:** SUSAN SCHNECK

**IRB Staff Reviewer:** JESSICA JOHNSON

A designated HS IRB member conducted an expedited review of the above-referenced continuing review progress report form. The study was approved by the IRB member for the period of 12 months with the expiration date of 5/1/2018. The study qualified for expedited review pursuant to 45 CFR 46.110 and, if applicable, 21 CFR 56.110 and 38 CFR 16.110:

**Category 9:** The study meets ALL of the following criteria: (i) Categories 2 through 8 do not apply; (ii) The research is not conducted under an investigational new drug application or investigational device exemption; AND (iii) The IRB has determined and documented at a convened meeting that the research involves no greater than minimal risk and no additional risks have been identified

To access the materials approved by the IRB, including any stamped consent forms and recruitment materials, please log in to your ARROW account and view the documents tab in the submission's workspace.

Please review the Investigator Responsibilities guidance (<http://go.wisc.edu/m0lovn>) , which includes a description of IRB requirements for submitting continuing review progress reports, changes of protocol and reportable events.

Please contact the appropriate IRB office with general questions: Health Sciences IRBs at 608-263-2362 or Education and Social/Behavioral Science IRB at 608-263-2320. For questions related to this submission, contact the assigned staff reviewer.

## Health Sciences IRB
